Dear Brothers and Sisters:

Please mark your calendar and make plans to attend an upcoming IBEW 481 Forum. To accommodate the membership, five meetings have been coordinated throughout locations within our jurisdiction. I strongly encourage you to make every effort to attend one located most convenient to you. Topics covered during the presentation will include local union news and updates. Information from the Fringe Benefit Office will also be provided, including Health & Welfare and Defined Contribution (DC) changes. A representative from John Hancock will be in attendance to discuss the DC changes. At the conclusion of the presentation, there will be an opportunity for discussion during a question and answer session.

Listed below is the forum schedule. The majority of the forums will take place at 5:30 p.m. We will begin with dinner, with the presentation to follow. For those who may have difficulty attending one of the scheduled evening forums, one has been scheduled for Saturday, March 3rd at 9:00 a.m. Breakfast will be served.
