

IBEW Golf League

Dear IBEW 481 Golfers,

It is getting close to spring and time once again to tee it up. I welcome the veterans and the new players alike. I know the economy is tough, but please consider making an investment for a whole season of fun. This is a 2 man handicap league. You can pick your partner or we can place singles together. There is a wide variety of skill levels. Please do not be afraid to sign up because you are a beginner. Because it is a handicap league, everyone is able to be competitive with the better golfers. The only way to improve is to play at least once a week. We will play at Sarah Shank Golf Course again this year. It is a short course and we will play the blue tees. There is an end of the year scramble, lunch and door prizes included in your cost.

When: Every Tuesday starting @ 4:30PM for 16 weeks starting April 25th

Where: Sarah Shank Golf Course - 2901 S Keystone Ave., Indianapolis, IN 46203

Cost: \$350

Sign Up: Phone or stop by the Hoosier United Credit Union and provide information at the bottom of this letter. You can pay by cash, check or direct withdrawal from your credit union or vacation fund. **This league is limited to 64 golfers so make sure if you intend on playing that you sign up early.**
